"Communication Service(s)" or "Service(s)" refer to any services you have asked us to provide to you through this Agreement. "Equipment" means any communications equipment or accessories you purchase from us or use in any manner in connection with your Services. The current copy of the this Agreement is maintained at [www.choice-wireless.com](http://www.choice-wireless.com) for your reference and we may update it from time to time; it will control the terms and conditions under which we provide Equipment and Service to you, such as rate plans, access charges, fees, taxes and surcharges, and the Equipment you have selected. Under this Agreement agreed to establish an Account (the "Account") for use of Choice prepaid wireless associated services (the "Service").

## Acceptance:

You accept this Agreement when you use the Service or Equipment. If you do not accept, you should promptly return the box with the phone and all its contents undamaged to your place of purchase. Phones purchased directly from Choice must be returned within 30 days from purchase and have less than 30 minutes of airtime usage. Phones purchased at other locations are subject to that location's return policy. Activation charges and airtime fees are not refundable.

## Account:

You agree to pay for the Service by deductions from your Account. After your initial Account set up, or making an additional payment for your existing Account, we will provide the Service to you until you have depleted your Account balance. Charges for the Service including, without limitation, wireless airtime, long distance, roaming (if available), balance increases, text and multi-media messages, downloadable applications, directory assistance, and voicemail usage will be deducted automatically from the Account at the applicable rate, depending on your plan and choice of features. If at any time the balance in your Account becomes zero or negative, you may not receive further Service until you make a payment for your Account that creates a positive balance. Call times are billed in one minute increments in which ALL calls will be rounded up to the next one minute increment unless otherwise measured. For data Services, data transport is billed in full-kilobyte increments, and actual transport is rounded up to the next full kilobyte increment at the end of each data session for charging purposes. We charge a full kilobyte of data transport for every fraction of the last kilobyte of data transport used on each data session. Network overhead, software update requests, and re-send requests caused by network errors can increase measured kilobytes. If you select a rate plan or additional features that include a predetermined allotment of services (for example, a predetermined amount of airtime, megabytes, or text messages), unless otherwise specifically provided as part of such rate plan, any unused allotment of services from one monthly period will not carry over to the next monthly period. The length of a call or data session will be measured from when you initiate it (typically, when you press the "Send" key) until you terminate it (typically, when you press the "End" key). Incoming calls will incur airtime charges when you answer the call. Airtime is also charged when a caller leaves you a voicemail and when you access your voicemail or retrieve messages from your Choice wireless phone or another touch-tone phone. You may incur additional charges for roaming or long distance calls. Rates and charges while roaming outside of your local Choice service area may be different from your Choice service area rates. We reserve the right to select the carrier you will use while roaming. Certain features may not be available in all areas or accessible to all wireless phones. You may only access Services through the telephone number assigned to you while the Account is active. All airtime sales are final and non-refundable.

## Payments:

When a rate plan and / or feature(s) are selected, we will assess your Account for all charges associated with the Services. Payment will be due at activation for all charges associated with Equipment. Your account must have sufficient funds to accommodate the charges assessed on your assigned cycle date according to your rate and feature selections to avoid service interruption. If you have authorized payment for Services or Equipment by credit card or by debiting a bank account, no additional notice or consent is required before we invoice the credit card or debit the bank account for all amounts due to us. You are responsible for paying all charges applicable to your Account, including, if applicable, charges for access, airtime, features, text and multi-media messaging, roaming, toll, long distance, and directory assistance. In addition, you are responsible for paying any taxes, surcharges, fees, and assessments imposed by us or a governmental authority from time to time in connection with the Services or the Equipment.

## Personal Identifiers:

We assign telephone numbers and other personal identifiers in connection with the Service. You have no proprietary right to any such identifiers, and we reserve the right to change them upon notice to you. In the event that you request a transfer of your Account and we approve the transfer, that would entail a transfer of personal identifiers to another party; we reserve the right, prior to honoring the request for transfer, to charge a fee for the transfer and to collect any money owed by you for Services or Equipment. Choice is not responsible for, nor do we give refunds for money you may lose due to, lost, stolen, or misused personal identifiers.

## Termination By Us:

We may, without liability, limit, interrupt, terminate, or refuse to provide a Service for the following reasons, or for any other good cause: (a) if you do not honor any provision of this Agreement, (b) if you use a Service in a manner that adversely affects Service to other customers or harasses our customers, our employees, or others, (c) if you or others use a Service to engage in fraud or unlawful conduct or are suspected of doing so, (d) if you modify your wireless phone or any software or firmware residing thereon from the original manufacturer's specifications, including for the purpose of accessing services not provided by Choice, (e) if your Service is used in a manner that is excessive or unreasonable with respect to volume or length of calls when compared to the predominant volume or length of call of other Choice customers in your geographic area, or (f) if the majority of your Service is used roaming on a network not owned or operated by Choice. You may not resell any Service. If you maintain a zero or negative balance in your Account for a period of 120 consecutive days, we may suspend or terminate your Account. If you do not use your Account for a period of 120 consecutive days, we may suspend or terminate your Account; if the account is suspended you may not receive credit for any balance remaining in your Account. If we suspend or terminate your account, you may request that we reinstate your Service (which may entail activating a new Account) by calling 1-800-CHOICE9 if you are a US Customer, or 340-220-CHOICE if you are a customer of the US Virgin Islands. You may be assigned a new number at that time and a reactivation fee may apply. We reserve the right not to restore Service interrupted or terminated due to your breach of this Agreement, even if you correct the violation and pay any amounts due at time of termination; if we decide to restore your Service that we interrupt or terminate due to your breach of this Agreement, we may require you to pay a restoration charge as a condition of restoring your Service.
